New Sermon Series  
Starting on Sept. 8th:  
**Family Matters**

Untangling our Relationships

When we read stories in the Old Testament, we realize that people are people. They had family problems just like we do today. But God wants people to experience healing, wholeness, and freedom from the baggage we carry.

This six week sermon series will look at how the families we grew up in still affect our lives - as individuals and as a church together. Come and discover how God can help you untangle the relationships in your lives. Might be a good time to bring some friends and family with you for the journey.
