Six Seconds to Meltdown

- Emotions are not _____.
(Mad, Sad, Glad, Afraid)
- But, out of _____ emotions
always work _____ us.

Romans 7:14-20

The trouble is with me, for I am all too human, a slave to sin. I don't really understand myself, for I want to do what is right, but I don't do it. Instead, I do what I hate. But if I know that what I am doing is wrong, this shows that I agree that the law is good. So I am not the one doing wrong; it is sin living in me that does it.

18 And I know that nothing good lives in me, that is, in my sinful nature. I want to do what is right, but I can't. I want to do what is good, but I don't. I don't want to do what is wrong, but I do it anyway. But if I do what I don't want to do, I am not really the one doing wrong; it is sin living in me that does it.

3. All decisions are made in the

_____ brain.

4. The amygdala is our emotional

learning center. It can _____

our emotional response and _____

5. How to avoid being hijacked:

A. Watch your _____.

B. Notice your body signals.

C. Take a time out. Count to 10.

“I’ll think about it” or “Can I have
a minute?”
